Order your student books directly on **amazon**

Our digitized curriculum enables students to improve the core English language function skills:

- Reading
- Listening
- Writing
- Speaking

Optional student book includes conversation worksheets, vocabulary translation sheets, readings, game sheets, and grammar charts with QR codes to access grammar videos.

A completely web-based platform, accessible on any student device.

A perfect tool to help your students prep for TOEFL, TOEIC, IELTS, and Global Seal of Biliteracy Assessments.

Deutsch & Español

A series of digital curricula designed for language teachers and directly integrated into our Teaching Platform (**German** and **Spanish**).

Both the Spanish and German curricula (available for A1 and A2) incorporate all four language skills:

- Speaking
- Reading
- Writing
- Listening

And all three language modes:

- Interpretive
- Interpersonal
- Presentational

What sets our curricula apart:

- AI-powered pronunciation practice
- 50% auto-graded activities
- Focus on individual speaking and listening activities
- Option to add your own activities on top of our ready-to-assign curricula
- A completely web-based platform, accessible on any student device.

A perfect tool to help your students prep for DSD-I, DSD-II, DELE, SIELE, and Global Seal of Biliteracy Assessments.

Arabic

Nexus Arabic, a leader in developing engaging and diversified Arabic content, created over 900 activities* for Pre-A1 and A1 Arabic learners utilizing our SmartClass Teaching Platform.

*Intermediate and advanced levels to follow.

NEXUS
LEARN ARABIC

The curriculum follows a unique approach to Arabic learning by including:

- Focus on communicative skills
- Gradual and planned repetition of skills
- Assessment
- Visual Glossary at the end of each unit
- High quality media to attract learners

Teachers are able to access the activities through our SmartClass Teaching Platform and assign them to their students for in-class practice, review, or homework.

Animated videos, calligraphy lessons, and interactive self-study activities for homework will engage your students and increase their understanding of the Arabic language.
